

## Pair Up to Make 100!

### Attention Groups:

- |                       |  |
|-----------------------|--|
| School Groups         | • who want to come when the park is not open to the general public |
| Boy Scouts & Girl Sco | • who want to have the park all to themselves                      |
| Service Agencies      | • who want to come during school or after school hours             |
| Youth Organizations   | • who want to snowtube at night...                                 |
| Church Groups         | • but have less than 100+ confirmed snowtubers...                  |
| Small Companies       |  |
| Clubs & Teams         |  |
| Families & Friends    |  |

### Hook up with another group to meet the 100 minimum!

- Many groups, especially school groups, are looking to pair up with others to have 100+ people so they can use the park during hours when Polarwave is not normally open. You may be able to find another group that can match your date!
- Now you can **POST YOUR GROUP'S AVAILABILITY** and find other groups who are looking to hook up!
- Simply complete the "Post Your Group" form on the website and Polarwave will post your "Group Info" for other groups to see.
- Be as specific as possible so the advisors and leaders of other groups can coordinate with their people.
- PolarWave will not post your contact info on this page unless you give permission in the form.
- If a match looks like it might work out submit the **"We Found a Match"** form and we can initiate contact for you by exchanging your match's contact information.

## Rent Out the Entire Park!

**Groups visiting Monday-Friday, morning, afternoon or evening, have exclusive use of the entire park!**

Minimum Requirement: 100+ Snowtubers

Corporate Events  
 Team Building  
 Family & Friends  
 Alumni  
 Sports Teams  
 Parties  
 Reunions  
 Singles Mingle  
 Fund-Raiser Events  
 Clubs & Community Organizations

### Why Rent the Entire Park?

- Many groups choose to have the park all to themselves
- Frolic with their own friends
- Play their own music over the park-wide speakers
- No strangers to meet
- Enjoy their own pre-planned special activities
- Promote interpersonal relationships
- **Have some serious fun together!**

### Don't Have 100 People?

- **Option 1:** Pair up with another group (see above)
- **Option 2:** Pay the rental fee for a 2 or 3 hour visit\*

### Park Rental Fees

100 tickets @ \$11 (2 hour visit) = \$1,100  
 100 tickets @ \$13 (3 hour visit) = \$1,300  
*(a savings of \$300 from gate prices)*

\* Park rental fees above apply only to groups with less than 100 snowtubers.  
 Standard group rate per-person ticket prices apply if the group has 100+ snowtubers

- **Standard Group Reservation Procedure Applies**

**Groups of 100+ Snowtubers: See Special Note Below**

**Note to Groups of 100+ Snowtubers or Matched Groups of 100+**

**PolarWave cannot open the park for any group of less than 100 guaranteed participants.**

**Group Attendance Agreement**

- **Groups of 100+:** If the final number of snowtubers at check-in is less than 100, the group is required to pay for the balance of the tickets to make 100 in order for the group event to be held.
- **Matching Groups:** Each group of a matching pair must commit to having a certain number of participants and the total of all groups for that event must be no less than 100. Each group must pay for the amount of tickets they committed to, even if their attendance on the day of the event comes up short. Groups will be asked to confirm this commitment in writing in order to reserve a group of 100+ snowtubers.
- If the group(s) cannot commit to enough total people to guarantee 100 confirmed participants, they can add another group (if one can be found), or pay for the extra tickets, or the event cannot be reserved.
- If a group leader sees that the number they have committed to will be short in attendance, they must let PolarWave know at least 3 days before the event what they intend to do about the shortage - honor the attendance agreement or cancel the event. If 100 participants cannot be guaranteed, the event may need to be canceled.
